Color Run & Auction

Albert Einstein Academy EPO
25443 Orchard Village Rd.
Valencia, CA 91355
(661) 666-3677

Non-Profit #27-1334946

On April 22, 2018 the Albert Einstein Academy Elementary Schools in Santa Clarita, Agua Dulce and Beverly Hills will join efforts to host our first-ever Color Run & Auction Fundraiser. We look forward to inviting our students, teachers, parents, friends, families and the community. Our elementary school campuses are teaming up to raise funds – 100% of which will benefit our children’s S.T.E.A.M academic programs. In addition to the Color Run, the day will include live entertainment, food and a silent and live auction. We will also attempt to break a World Record for having the most people dressed as Albert Einstein captured in a single photograph!

By offering S.T.E.A.M-based programs, our children are exposed daily to science, technology, engineering, art and math with hands-on projects. It is important to acknowledge that Albert Einstein Academy is providing many academic programs that are not funded by the monies given to charter schools by the state of California. These non-state funded programs include S.T.E.A.M-based learning, world language, art education and a full-time physical education team – all of which is offered to AEA students.

The California charter schools receive 25% less funding per student from the state than traditional public schools. However, Albert Einstein Academy continues to offer more academic programs than traditional public schools. It is the Einstein Parent Organizations and the schools’ intention to raise funds to bridge the gap between the lack of state funds and the necessary costs involved in providing these important academic programs. We need the support of businesses and donors like you because these programs can only be possible from your generous gifts.

We would be honored if you would consider donating an item, service or gift to our Color Run Auction. Should this request be possible, please let us know by contacting our Event Coordinators at aeacolorr@gmail.com. We will pick up the item at your convenience, or, donations can be sent directly to our school at the above address.

We will feature the donated item or service in our live or silent auction. Also, we will feature your company on our event website and at our event. With your generous gift, we hope to raise funds that will provide further S.T.E.A.M. education programs tools to our community’s children.

If you would like more information about Albert Einstein Elementary’s S.T.E.A.M.-based programs, please visit our website at <http://sce.ealas.org/>.

S.T.E.A.M. Education – Integrated Science, Technology, Engineering, Arts and Mathematics

Thank you in advance for your consideration of our request.
